TESTIMONIALS

I couldn't be happier with every aspect of our order with you and your company. You were a delight to talk to and most importantly - a man of your word. Our order arrived exactly as you said and your spandex and design is far more superior than what I have seen here in South Florida. **YOU WERE SO RIGHT!** Thank you for such a pleasant experience and great product. I will share everything proudly with our clients. I look forward to expanding our stock of spandex.
- Kathy

I received an inquiry regarding your spandex chair covers and gave you a glowing reference.
- Michael

Rich, they are fabulous! I got the cover and immediately put it on the chair. I have educated the girls here in the sales department on your services and the next event that we have spandex the order is yours. The quality of the cover is unbelievable. Your quality can't hold a candle to the other vendors. You are truly the best!
- As always Lynn

I can't thank you enough for rushing our order through. How right you are about the quality of your line vs. the imports.
